CHAPTER NEWS:

SEALL'S OUTREACH PROGRAM

The Publicity and Public Relations Committee is continuing this year its outreach program to library school students and professional library association members in the SEALL region. Under the direction of last year's President, J. Wesley Cochran, and committee chair, Hazel Johnson, long range goals were established to promote law librarianship generally and SEALL activities and programs specifically.

This year the committee has developed a "public relations mailing calendar" and the 10 person committee has begun sending letters to the thirteen library school deans and eleven library association directors in the southeast region. The committee hopes to provide career information and networking opportunities to library students as well as establish contacts and interact with non-law librarians who may want to attend our meetings and institutes.

Thanks for your assistance. Please call (606-257-8347) if you have any questions.

Sue Burch, Chair
